How Pure Skin South West deal with complaints

Client satisfaction is of paramount concern to Pure Skin South West. This complaints procedure is designed to ensure that concerns or complaints are dealt with quickly and effectively. This procedure is applicable to all services and products offered as part of Pure Skin South West range of services and products.

Pure Skin South West believes that if a Client wishes to make a complaint or register a concern, they should find it easy to do so. It is our policy to welcome complaints and look upon them as an opportunity to learn, adapt, improve and provide better services. This policy is intended to ensure that complaints are dealt with appropriately and that all complaints or comments by Clients are taken seriously.

The Policy is not designed to apportion blame, consider the possibility of negligence or to provide compensation.

Clients are entitled to lodge an initial complaint verbally by telephone, in person or in writing via email or post. Pure Skin South West are happy to provide Clients with assistance during the complaints process.

If a complaint is received, the Client's name, address and telephone number will be taken. The nature of the complaint and the date (if applicable) will also be noted.

Pure Skin South West require all complaints to then be put in to writing, either by email or post, addressed to the Clinic Manager. The Client will receive a response within 14 Clinic working days of the date of receipt of the complaint. This time will allow us to fully investigate the matter.

Any information regarding a complaint received, whether in person, in writing, by email, through an online review or by telephone will be initially dealt with by the Therapist involved. This serves two purposes. Firstly, the Therapist will be fully conversant with all the services being carried out and is able to understand the nature of the complaint. Secondly, it acknowledges to the Client that the complaint is being taken seriously and that they are considered important. This prevents a potentially difficult situation from being made worse.

Once the Client has left, or the telephone conversation has ended, or the written complaint has been received, the person taking the complaint will inform the Director of Pure Skin South West and immediately with the details via email to pureskinsouthwest@gmail.com. The Director of Pure Skin South West will supervise the Complaint.

Depending on the nature of the complaint, during the course of the investigation, Pure Skin South West may require the Client to attend an additional Consultation meeting with the Clinical Manager/Director.

The Client should be aware of our No refunds on Service Policy and Products.

Pure Skin South West will endeavour to resolve any complaints quickly, efficiently and effectively. Our objective is to provide an explanation or a solution to the Client's complaint.
